About Me And My Goals

As an aspiring IT intern, I have experience with Java, C++, and Python, as well basic understanding of assembly language, C, databases and SQL, Linux operating systems, and MatLab coding. I am adaptable and technically skilled in creating and optimizing code and solving medium to complex problems. I am confident in my ability to excel in various projects, such as developing algorithms in C++, building scalable applications in Java, and using Python for data analysis. I am excited to bring my passion and expertise in coding to your team and help elevate any project to new heights.

My Education

Universitatea Babeş Bolyai, Cluj-Napoca

September 2021 — Present

Diploma de Bacalaureat, Liceul Teoretic "Báthory István", Cluj-Napoca

September 2017 — June 2021

My Levels of Skills

Problem Solving

Time Management

Ability to Work Under Pressure

Ability to Multitask

Adaptability

AI Usage

Creativity

Decision Making

Ability to Work in a Team

Fast Learner

Computer Skills

Languages I Speak

Hungarian

English

Romanian

Some of My Hobbies

Gaming, Music, Driving, Photography, Geography, Fishing
